OPEN HOUSE – JUNE 28, 1987 **2:30 - 4:30 P.M.**

On June 28, 1987, we will have reached another plateau in our efforts to minister to the needs of our elderly citizens as we hold "Open House" at 580 Greenfield Drive for Phase III of Sayre Christian Village, Inc. This building consists of 9 two-bedroom apartments and 93 one-bedroom apartments with a beautiful lounge on each of the three floors. Offices, a beauty shop and gift shop are located on the first floor. Each floor will be equipped with a laundry room and trash chute room.

All those receiving this communication are invited to attend our Open House. We will have tour guides to give tours. Refreshments will be served in the dining room of Phase I, by our auxiliary.

Sincerely,
Gay Hatfield, President,
C.B.O., Inc., Board of Directors

and
Sherriell E. Storey,
Executive Director
